

Looking For A Talented Labourer Who Has Serious Potential To Grow!

Company: Skyline Contracting - www.skylinecontracting.ca

Location: Wainfleet, Ontario **Status:** Join our team **FULL – TIME!**

Skyline has been in business for 12 years. We tackle almost all things when it comes to caring for our customer's roofs. We love what we do and We work hard to ensure we have an awesome team.

WORKING AT SKYLINE CONTRACTING

Simply put, we seek and hire based on one's character and values first - experience and competence second. Because we invest in a company culture fully committed to our mission, vision and values, we are not looking for people who just want a job. We're looking for passionate team players looking to grow in an environment where people are valued, and committed to integrity. Do you want to be part of a growing team with room for personal growth and career advancement?

THE RIGHT STUFF

We can only ensure a great client experience and a friendly, professional workplace if we have the right people. We are dedicated to equipping and growing our staff. But it starts with the right attitude. So here are some baseline character traits we are looking for in all our staff:

- **Enjoy your work.** You take pride and joy in what you do.
- **Operate with honesty and integrity.** You own your work. As you learn and grow, you are eager to learn from your mistakes.
- **Value people.** You know that yourself and others are "not perfect". You bring a "how can I help?" attitude to the team. You value being **respectful and dependable.**
- **Deliver quality – productive - safe work.** You are not satisfied with a "just OK job." You are committed to delivering 100% quality. You are committed to operating and maintaining equipment safely!
- Working in construction isn't easy. You need to be **physically fit**, work hard and appreciate the great outdoors.

If you are committed to delivering the above, and are a mature responsible adult, with access to transportation to get to work, you've got what it takes! Realistically you don't need to be a roofing expert to apply. We have lots of talented team members who will help you along the adventure.

We are offering an attractive hourly rate and the opportunity for future development in a progressive, fast paced, team focused, fun environment. Reply in complete confidence to:
